39% - Before I am age 65

17% - At age 65

6% - Never

The October Question:

Do you think the national economy would recover without stimulus packages?

SPECIAL ANNOUNCEMENT

NTSAA Considers Proposal to Partner with ASPPA

On October 1, 2009, the National Tax Sheltered Accounts Association (NTSAA) held a Town Hall Webcast to announce to its members an exciting new partnership proposal with ASPPA. The speakers discussed the evolution of the partnership, the similarities of the two associations and the enhanced NTSAA membership benefits this partnership would create. NTSAA would provide expertise on the non-profit 403(b) and 457 marketplace to ASPPA members. The partnership will be open to NTSAA members for a vote from December 7 through December 9, 2009. To get more information about NTSAA, visit its [Web site](#).
