

# Submit Your **Harry T. Eidson Founders Award** Nominations Today!

The deadline to submit nominations is May 1, 2008.

THE HARRY T. EIDSON FOUNDERS AWARD PROGRAM was established in 1995 to honor the memory of ASPPA's first president, who firmly believed in the importance of developing a strong private pension system for the United States. Up to two individuals may be honored annually if worthy candidates are nominated. There are two award categories, one acknowledging individuals who have made significant contributions to the private pension system and another honoring individuals that have made significant contributions to ASPPA.

We encourage you to take the time and nominate a worthy candidate for either of these two prestigious award categories. Anyone who knows of eligible candidates may submit nominations for these awards.

Nominations may be submitted through the ASPPA website, or if preferred, a hard copy nomination form may be downloaded and faxed or mailed to ASPPA. To submit or download your form go to

[http://www.asppa.org/membership/member\\_award.htm](http://www.asppa.org/membership/member_award.htm)

The following criteria are used to determine the nominees for both award categories:

- The contribution must be consistent with the ASPPA mission statement and should have a lasting, positive influence on ASPPA or the private pension system.
- The contribution may be current, one that spanned many years, or one made years ago from which ASPPA or the private pension system benefits today.
- The contribution should be a result of time devoted above and beyond reasonable expectations and not a result of time spent primarily for personal gain.
- The contribution may have been made and/or recognized on a national or regional level; however publicity is not a criterion.

Please note that award recipients need not be ASPPA members.

## **ASPPA Mission Statement**

The purpose of ASPPA is to educate pension actuaries, consultants, administrators and other benefits professionals, and to preserve and enhance the private pension system as part of the development of a cohesive and coherent national retirement income policy.

All nominations are reviewed by a special Eidson Award Subcommittee. The subcommittee then provides award candidate recommendations to the ASPPA Board of Directors. The Board makes the final award determinations.
