ASPPA 2013/2014 Continuing Education (CE) Guidelines

Overview

As a professional society, ASPPA recognizes the importance of the continuing educational development of its members. ASPPA has a mandatory program of Continuing Education (CE) that affects all ASPPA members who hold the following credentials:

- QKA
- QPA
- CPC
- QPFC
- TGPC
- APM

If you hold the FSPA or MSPA credential, or are an Enrolled Retirement Plan Agent (ERPA), and are in good standing with the IRS/JBEA with regard to meeting all required CE requirements for your related credential, you are deemed to have satisfied all ASPPA CE requirements.

ASPPA’s CE program is dedicated to helping you stay abreast of developments in the retirement plan arena. ASPPA’s CE requirements apply to all members who hold the credentials noted above, regardless of when the credentials were awarded.

The current CE cycle began on January 1, 2013 and will end on December 31, 2014. In order to maintain your ASPPA credential(s), you must earn 40 CE credits during this cycle (and in each future two-year cycle). Two of the 40 CE credits must be on ethics/professionalism topics. Members who hold more than one ASPPA credential need only meet the 40 CE credit requirement once per cycle.

In general, CE is based on total minutes of continuing education (50 minutes equal one CE credit). No single CE event will qualify for more than 25 CE credits (i.e., there is a 25 CE credit maximum per educational event). This limit ensures that each member obtains continuing education from at least two sources every cycle. No qualifying CE event will be less than 50 minutes, and partial CE credit is allowed for programs that exceed 50 minutes.

For the initial CE cycle in which you earn your credential(s), the number of CE credits required is prorated based on the credential or date of admittance within the two-year CE cycle. The proration schedule is noted below:

- First six months of the cycle: 30 CE credits required (2 CE credits of ethics/professionalism)
- Second six months of the cycle: 20 CE credits required (1 CE credit of ethics/professionalism)
- Third six months of the cycle: 10 CE credits required (1 CE credit of ethics/professionalism)
- Fourth six months of the cycle: 0 CE credits required (0 CE credits of ethics/professionalism)

If you are a credentialed member who holds one or more of the credentials noted above and you do not earn sufficient CE credits during any CE cycle, ASPPA will suspend your credential(s) until you have completed 40 hours of CE credits (2 must be on Ethics/Professionalism) in the 24 months prior to applying for reinstatement as a credentialed member. Once reinstated, CE credits will be pro-rated as noted above. For further information, please direct your questions to the ASPPA Customer Care department at customercare@asppa.org or 1.800.308.6714.
Reporting and Submitting CE Credits

Unless otherwise indicated, ASPPA will automatically post CE credits earned to a member’s record for any ASPPA-sponsored educational activity. Please allow 60 days for online reporting form to reflect earned CE credits.

For all non-ASPPA CE categories, an ASPPA member should self-report CE credits in the online reporting form.

In order to view personalized CE Online Reporting Form, log into the ASPPA website by entering your login ID and password at the top right of the home page. Then, click on the “Members Only” tab and select the “2013/2014 CE Reporting Form” link. CE reporting is subject to audit and must comply with the ASPPA Code of Professional Conduct.

Credentialed ASPPA members should submit CE reporting form to ASPPA on or before December 31, 2014.
