WHY CYBERSECURITY IS A STRATEGIC ISSUE

Companies have more digital assets than they did 10 years ago, and these assets are worth more than they were before.

WHY CYBERSECURITY MATTERS?
CYBER THREATS ARE CONSTANTLY EVOLVING

Attacks are Increasing

- Unsophisticated Attacker (script kiddies) 8%
- Sophisticated Attacker (hackers) 62%
- Corporate Espionage (insiders) 13%
- State Sponsored Attacks (APT, Hacktivism, Identify thefts) 17%

Attackers are stealing sensitive business & customer data
Cyber attacks impact the bottom line

**AS A THOUGHTFUL LEADER
TODAY OF A COMPANY
OR TEAM**

“The question is not if your organization will be breached, or even when... The real questions are:

Are you aware of it, and how well are you protected for the future?”
